## DEBUT EP *DAYDREAMS AND SLEEPLESS NIGHTS*

*Daydreams and Sleepless Nights*, released in December 2024 contains 5 songs (2 originals, 3 jazz standards) that Marguerite felt most depicted the experiences and thoughts of her early twenties. The project explores her past struggle with sleeplessness, understanding her sexuality, and fears of the future as she emotionally prepared herself to move across the country from Nashville to NYC mid 2024. *Daydreams and Sleepless Nights* can be found on iTunes for purchase and free on all streaming platforms.
